INSTRUCTIONS

Thank you for purchasing our chrome garment rack. Please follow these step-by-step instructions. Please plan to spend about 10 minutes assembling your new garment rack.

- Position the side components **(A)** so that the adjustment holes are facing each other. Attach the horizontal poles **(B)** to the side components **(A)** by running screws **(H)** through the side components **(A)** and into the horizontal poles **(B)**. Tighten with the hex wrench **(J)**.
- Turn the unit on its side. Screw the casters **(G)** into the threaded holes on the bottoms of the side components **(A)**. Tighten with the wrench **(J)**. Return the unit to an upright position.
- Press the spring pins on the vertical poles **(C)** and slide the ends into the side components **(A)** until the spring pins pop through the upper adjusting holes on the side components **(A)**. To adjust the height of the rack, press both spring pins and raise or lower the vertical poles **(C)** until the spring pins pop through the holes at the desired height. Fit the expanding hanging pole **(D)** onto the vertical poles.
- Place the shelf **(E)** onto the base of the garment rack.
